

Building Department

The mission of the Eagle Lake Building Department is to protect the public safety, health, and general welfare through the administration and enforcement of the Florida Building Code and the Eagle Lake Code of Ordinances.

Most work done in The City of Eagle Lake requires a Building Permit. In the documents bar on the side menu we have provided a list of examples for work that would require a Building Permit. This list is not all inclusive, please call our Building Department at **(863) 229-5032** if you have any questions.

For your convenience, please utilize our [online permitting and inspection portal](#).

If additional information is needed, please email [buildingpermits \[at\] eaglelakefl.gov](mailto:buildingpermits@eaglelakefl.gov)

For in-person office visits, we strongly encourage appointments.
